

BODY AND BRAINS.

Whether the brains of men are being developed at the expense of the bodies is not a question that we can settle, but there is no question that there are many individual cases where the body is weaker than it ought to be.

To produce big healthy brains and big healthy bodies take Scott's Emulsion. Childhood is the time to commence.

The effort of Scott's Emulsion is to make nature do her best with the materials on hand. It checks all those little weaknesses and faults of nourishment which result in imperfect development.

Nothing more strengthening for weak children.

CATHOLIC SCHOOLHOUSE.

Interesting Dedication Ceremonies at the Old Capital.

LAHAINA, August 30.—Gorgeously decorated with flags and ribbons and filled with a throng of patrons and friends, the new Catholic mission school house at Lahaina was dedicated today, Bishop Gulstan officiating. After the dedication services Bishop Gulstan made an impressive as well as instructive speech to the younger element, as to how they should go through the coming school term.

Then followed the luau, which, to the luau, and many people partook of the delicacies.

The table was spread with all the luxuries that are usually enjoyed at a luau, and more than—people partook of the delicacies.

The new school house at Lahaina is a large and airy structure and speaks well for Father Julien and the people of Lahaina, by whose combined efforts it was secured.

of the puniest, weakest specimens of manhood. I care not how long they have suffered, nor what has failed to cure them. So Different

Lots of Claims Like This, But so Different—Local Proof is What Honolulu People Want.

There are a great many of them. Every paper has its share. Statements hard to believe, harder to prove. Statements from far-away places. What people say in Florida. Public expressions from California. Oftentimes good endorsement there. But of little service here at home. Honolulu people want local proof. The sayings of neighbors, friends and citizens.

Home indorsement counts. It disarms the skeptic; is beyond dispute.

This is the backing that stands behind every box of Doan's Kidney Pills. Here is a case of it:

Mr. Cyrus S. Edison of Kapiolani Park, this city, says: "I am at present a teamster and came to the Islands fifteen years ago. Previous to that I drove a stage coach in the United States. These occupations necessitating my being out at all seasons were no doubt the cause of my kidney disorder. I had the ordinary symptoms of this complaint, and resorted to a host of things to cure it. All of them failed to do so, however, and when I had almost given up hope I heard about Doan's Backache Kidney Pills and got some at the Hollister Drug Co.'s store. They did indeed relieve me and I am quite satisfied with the benefit they have been to me."

Doan's Backache Kidney Pills are for sale by all dealers; price 50 cents per box (six boxes \$2.50). Mailed by the Hollister Drug Co., Honolulu, wholesale agents for the Hawaiian Islands.
